Identical letters dated 22 September 2014 from the Permanent Representative of Lebanon to the United Nations addressed to the Secretary-General and the President of the Security Council

On instructions from my Government, I wish to inform you that at 1520 hours on 5 September 2014, in the locality of Kaff al-Ahmar — Adlun, a Lebanese Army patrol found an Israeli listening device camouflaged as a rock. Before the device could be examined, the Israeli enemy detonated it, killing the civilian Hasan Haydar who was standing nearby.

I should like to reiterate that my Government honours its commitments under international resolutions. I call upon the Security Council to condemn this attack in the strongest possible terms and compel Israel to bring an end to its violations of Lebanese sovereignty by air, sea and land, and fulfil all of its obligations under Security Council resolution 1701 (2006).

I should be grateful if you would have the present letter circulated as a document of the sixty-ninth session of the General Assembly, under agenda item 35, and of the Security Council.
